### Editor Says

Dear 2017,

I am so blessed with many wonderful and beautiful moments lived, many painful struggles and hard lessons learnt, many doors closed and others opened. I have raised. I have fallen. I have been wounded. I have made mistakes. I have lived and learnt. I am thankful.

I am thankful for the ordinary days as well as the wow moments of 2017. I have especially been blessed with people who have walked beside me, supported me, trusted in me, loved me. Many faces of my dearest Verbum Dei sisters, my loving family, the disciples and friends of Verbum Dei flash through my mind. I thank God for the gift of each one of them. I am truly blessed to have them to journey with me.

Now, it is time to bid you adieu, 2017.

Dear 2018,

Hello to you!. As I face the great abyss of the unknown, my greatest challenge is to embrace each change, each challenge, each hurdle with loving trust that God will be with me and He will continue to gift me with people to journey with me.

A new chapter in my life ready to be written. I stand ready with pen in hand. And so, I begin...
