support the formation of young missionaries

Verbum Dei Singapore started with the arrival of the first missionaries, Sr. Maria Jose and Sr. Yolanda de la Fuente on 12 September 1997. *'How can we carry out the mission of prayer and preaching the Word of God here?'*, was their constant question. And sure enough, if God was the one who sent them here, he made them see a gnawing hunger for the Word of God.

Today, Verbum Dei Singapore provides spiritual direction, retreat ministry, adult faith formation and breaking of the Word for groups such as young adults, couples, mothers and teenagers. Throughout the years, the Verbum Dei Community in Singapore has been blessed with 11 missionaries who have answered Jesus' call to bring the Word of God to His people, not only in Singapore but throughout the world. We appeal to you to support the formation of young Verbum Dei missionaries from Singapore as they heed Jesus' call to *"go out to the whole world and proclaim the Good News to all creation."* We need $24,000 a year for the formation of young missionaries. Please help us generously to fulfil this financial commitment.
