Shawl
by The Singapore Shawl

The Singapore Shawl founded by Shelly Siu, is an exclusive brand of unique, elegant and eco-friendly shawls that feature flora, fauna, history, art and cultures of Singapore. Each hand-embellished piece has its own unique Singapore story to share – from its flora and fauna to its history, arts and culture.

The Singapore Shawl is one of Singapore's premium gifts presented to world leaders, royalty, celebrities and politicians. It is also a social enterprise that offers employment and additional skills development for marginalised women.
