As we celebrate Christmas, what we do really celebrate? A celebration of family and friends...the gift of a good year? What does Christmas truly mean?

Christmas is a time to celebrate God's peaceful and humble coming. God, becoming human in Jesus, was born in a stable to a pair of simple folks from Nazareth. This is the mystery of love that we cannot understand no matter how hard we try to activate our grey matters.

"For God loved the world so much that he gave his one and only Son, so that everyone who believes in him will not perish but have eternal life." (John 3:16)

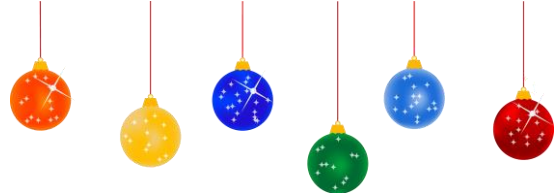

Looking at baby Jesus in the manger, we see the personification of God's gentle love. Today, we are faced with uncertainties and violence. The recent attack in Berlin's Christmas market shook the world once again. Though, the Melbourne's Christmas terrorist attack foiled brought sense of relief, we are somehow constantly on high alert.

Yet, we look at Jesus, who is God's love personified, and we hold onto a certain hope that gentle love will triumph. This Christmas, let us pray that the light of Jesus will shine in every nation, every family, every person. May His peace be in your heart and mine.

A Blessed Christmas!

Priscilla's Farewell

On 19th December, Priscilla went to England to start 2 years of Formation Course/Novitiate.
We wish her all the best!

"After 2 years of discovering and building a solid foundation on my relationship with Jesus in the Verbum Dei Community, I have gained so much. Going to England was not an easy decision to make, nevertheless, I am now ready to give my next Yes to Jesus. With His love for me and my trust in Him, I am ready to go on an adventure with Jesus and discover new grounds and heights of my faith and life."

~ Priscilla
